Diary No. 57	Enclos. nil. Spare Copies.	Serial No. 1

BRIEF ABSTRACT OF LETTER.

Solicits instructions as to whether the stipend order should be issued in the names of all the surviving daughters of Narayanabhatta, deceased stipendiary holder or only in the name of his eldest daughter only; and also whether the arrears of stipend for a period of 24 yrs from 1901-02 may be paid

NOTES AND ORDERS.

The facts of the case, briefly, are as follows:-

Certificate No. 37/630 d. 1-1-75 has been issued by the Inam Deptt to Bharangi Narayanbhatta and 11 others entitling them to a pension of Rs. 24 per annum. Sashabhatta, one of the stipendiaries

his share viz Rs 2-14-0 of the stipend amount and after his death till 1902, his eldest son Narayanabhatta is stated to have drawn the amount, though the a fresh stipendiary order was not issued in his name - Subsequent to that date period no stipend amount is stated to have been paid & this is accounted for as being due probably due to the fact that the question of issuing a fresh stipend order was then raised & was under correspondence.

2. Narayanabhatta is also reported to be dead. The present claimants to the stipend amount are the 5 daughters of Narayanabhatta, all of them, except the last, being widows; and a distant agnate by name Shankaranarayana Sastry. The 1st & last daughter are stated to have a daughter each.

3. The D.C. holds that the claim of the agnate, who is a distant one, to his stipend may not be recognized & that he may be considered as divided.

4. As regards the daughters, he solicits instructions as to whether the stipend order should issue in the name of the eldest daughter on behalf of all or in the names of all the Daughters

15. With reference to the member's marginal remarks against para 1, it is noted as follows. It will be seen from the Mug: comr's letter and the ver: records accompanying it that Narayanabhatta received payment of the stipend amount for some years after the death of his father and payment was stopped when the question of the issue of a fresh stipend order in his name was raised - Narayanabhatta was urging his claim & the delay in payment was due to the delay in issuing a fresh stipend order in his name - When the question was under correspondence, ~~the~~ Narayanabhatta is reported to have died - So, the Mug: Comr appears to be right in his view that the order of 1877 is not applicable to this case -

circumstances and considering the distance of the agnate from
Vanabhatta I am inclined to hold that the family is a divided one
for the purposes of this case. The agnate might renew his claim
if in the civil suit there is a definite finding that the family
is a joint one.

3- All the five daughters are legal heirs of the deceased
Narayanabhatta. I wish to know if the stipendiary order is to be
issued in the name of the eldest daughter on behalf of the five
daughters or whether it should be in name of all the daughters.
The stipend is due from 1901-02 or for a period of 24 years. No
doubt Narayanabhatta was agitating for payment and the records
were lxxxxx lying in the taluk office since 1915. In view of G.O.
No.1136-44 dated the 14th June 1895 I solicit instructions if the
accumulated arrears could be paid.
